The Waters Still Rising.

ST. PAUL, April 12.—The water in the Mississippi passed the danger line for the people on the flats on the northwest side of the river at 2 o'clock this morning. One or two families moved out yesterday, but before daylight this morning a number found it necessary to vacate. The water rose two feet between 2 and 3 o'clock this morning. At 8 o'clock the water stood 13 feet at the signal service gauge. It rose this afternoon at the rate of three-quarters of an inch per hour. Danger from flood on the flats west of Dakota avenue is also imminent.

The Verdict Unanimous.

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at H. W. Cox's drug store.

Following are answers to questions at an examination of teachers in Georgia: "What is writing?" "Writing is the Representation of the human voice on the 11th part of a noun." "How long since writing was invented?" "From the creation of the world, or from the birth of Christ." "What are the chief products of the state of Georgia?" "The chief products are agriculture, turpentine, railroads, lumber and grade deal of merchandise business."—American Missionary.

MORNING TELEGRAMS.

Lightning Flashes of What the World at Large is Doing.

HERMANN CONGRATULATED.

The Administration Anxious to Make Oregon Democratic.

WASHINGTON, April 12.—Representative Hermann, of Oregon, was congratulated to-day by many members on the republican side on his unanimous re-nomination for congress by the state convention in Oregon. Mr. Hermann will be the first representative elected to the fifty-first congress, if the republicans carry Oregon. The democrats are making strenuous efforts to win that state from the republican party in the next election. Cleveland and Don Dickinson are employing every device in their power to make Oregon democratic in the June election.

Chicago Brewers on a Strike.

CHICAGO, April 12.—All union malsters and brewers in Chicago went out on a strike at 4 o'clock this morning. Such a move has been imminent for some time, and had its origin in a circular issued by the national organization of brewery proprietors which, in substance, announced their determination to refuse recognition of any brewers or malsters unions. This morning three hundred malsters and brewers quit work, stopping every brewery in the city except that of Ernst Bros., and throwing out of employment probably fifteen hundred or two thousand men. Ernst Bros. establishment is working because the proprietors secured a force of non-union men some days ago.

Murdered by his Partner.

SAN FRANCISCO, April 12.—John Meistadt, a poultry dealer, was found murdered this morning in his room on Clay street. There are a number of knife wounds in his head and body, from four of which a great quantity of blood had flown. The room was in a very dirty and disorderly condition and presented a horrible appearance when the man was found. Suspicion pointed to his partner, Julian Portelle, as perpetrator of the crime and he was immediately arrested.

The Wheat Market.

SAN FRANCISCO, April 12.—The recent advance in the wheat market is engaging the attention of our business men. There has been more activity at the produce exchange and the call board within the last few days than for six months past. The Nevada bank people are supposed to have closed out all wheat forced upon their hands last year, and their losses are not so heavy as was at first estimated.

Died While Singing.

BOSTON, April 12.—Miss M. Austin Jones, a lady who was popular in society here, dropped dead Tuesday evening of heart disease, at the Hotel Vendome, during a reception which she was giving. She had been called upon for a song, and gave a selection, a repetition of which was requested. In response she sang one stanza of another song, but in the middle of the second verse sank to the floor and expired almost immediately.

Conkling Resting Well.

NEW YORK, April 12.—At 4:30 p. m. Dr. Barker issued a bulletin stating that Conkling was about the same. He has taken plenty of nourishment during the day, principally beef tea, and rested well. He was awake when the doctor was there, and recognizing him shook his hand. His temperature and pulse are unchanged.

Emperor Frederic's Condition.

BERLIN, April 12.—The new development in the emperor's malady is an acute swelling of the tissues surrounding the orifice through which the canola is inserted. Dr. Bergman remained with the emperor all night.
